(5.0) New Business/Old Business

a. Review the Membership/Finance Committee Activity Timeline

We reviewed the current PCAT for Membership/Finance and all activities are right on target.

b. Review Planning Council Meeting Feedback from October 10, 2025

Feedback overall was very good and there were no outstanding issues or concerns.

c. Assist with the Membership Recruitment Campaign

The group discussed challenges with member engagement and participation in meetings. It was suggested that case managers reach out to clients and help support their involvement in the Planning Council. Also suggested was bringing back the regional meeting locations where consumers could join from their familiar provider virtually in a group. Support staff will look into that.

d. Management Membership Application Process

There is one new application where the applicant would represent the vacant category of healthcare and/or hospital planning agency.

Gloria McNeil & Christopher Johns, Co-Chairs

Rich Radocchia made a motion to move into executive session and Inthiany Ardila seconded the motion.

It was decided that the PC co-chairs will confirm with the project officer that the application that was reviewed will represent the vacancy of the HRSA mandated representative seat of healthcare/hospital planning agency. If the PO is in agreement that this is acceptable, the application will be reviewed again at the January meeting.

e. **Review Planning Council Member Attendance**

2 Planning Council members will be removed today due to excessive absences. Attendance resets in January at the start of the new calendar year so everyone will be in good standing.

f. **Review PC Membership for Federal reflectiveness mandate**

We currently have 20 Planning Council members, and we are missing representation in 1 mandated category and the Planning Council is working on filling this position. This position may be filled by the application that was reviewed today.

g. **Determine Planning Council Trainings**

January – Cultural Humility and Bias
February – Parliamentary Procedures

h. **Recipient's Office Report**

Lakeisha Green presented the quarterly expenditure report for GY25 March – September. At this point funds should be spent at approximately 58%, however, due to the timing of the final award, funds are spent down an average of 42%. They are developing plans to work on getting the rest of the award spent down as much as possible before the end of the grant year.

Rich Radocchia made a motion to extend the meeting 10 minutes and Christopher Johns seconded it.
